WELL DONE EVERYBODY!

TEAM POINT WINNERS

Well done to **Priestley** for earning the most team points during this week.

Hello Everyone—Well done for getting to the end of a very icy, windy week! It has provided plenty of challenges but we made it! If the weather continues to be this changeable into next week, please make sure your child has appropriate cold weather clothing—coat, hat, gloves etc. The children are also able to come to school in wellies/boots as long as they have their correct school shoes with them for indoors. On Thursday we celebrated World book Day in school. The children wore their pyjamas and brought a favourite book to share. They also took part in book related activities throughout the day. Thank you for your support in enabling the children to take part. Today, an Ancient Greek visited Year 5 to help launch their new topic. The children were so enthusiastic as they took part in a number of activities included a fantastic improvisation of the story of Theseus and the Minotaur. Well done Year 5.

Looking ahead to next week, on Friday, we will be celebrating the second of our World Faith Days with a focus on Hinduism. The children usually really enjoy our World Faith Days and we will be telling you all about it in next week's newsletter. Also, we are already looking forward to the arrival of this year's eggs which are due to be delivered to school w/b 12/03/18. This is also our HOPES and DREAMS week, where we are hoping to inspire our children into thinking about what they would like to do or be in the future. If any of you have jobs in business, computing or finance, we would particularly like to hear from you if you would be willing to come in and share with the children your journey. Please contact the office for further details!

Have a lovely, weekend everyone—keep warm and stay safe!
